QUOTES

FAU Interim Head Coach Glenn Spencer on the recent noise around FAU Football...

"I think that if the kids think you care about them as a person, they will run through a wall for you and that is what we have had this week. I do not know what is going to happen on Saturday. I do not have a crystal ball. All I know is I am enjoying being a part of their lives. Distractions, yes. Great lessons in life learned. Things do not always go the way you want them to. How your going to fight through them and respond, that's what we are all about as young men. I am very proud to be a part of that."

SMU Head Coach Sonny Dykes on arriving in Florida today...

"I want to say on behalf of SMU, our football players, our coaching staff, and our administration that we are very happy to be here in Boca Raton. We really appreciate Cheribundi. It is a product we use everyday and is something we firmly believe in. We appreciate their sponsorship of this bowl game and we are excited to be here and play against a very good Florida Atlantic team. It's a real honor to be able to be here, it really is."
